## **New Concepts Disabled Children's Foundation to Hold High Point Helicopter Ball Drop at High Point Golf Club**

(Bergen County, New Jersey)— July 16, 2007--The New Concepts Disabled Children's Foundation (NCDCF), a non-profit, tax-exempt organization, announces that it will hold the High Point Helicopter Ball Drop on September 5, 2007 at the High Point Golf Club, 342 Shore Drive in Montague, New Jersey. Raffle tickets may be purchased for a chance to win as a first prize a 2007 Lincoln Navigator.

The NCDCF cultivates ongoing revenue streams that enable New Concepts for Living, Inc. (New Concepts), a community non-profit organization based in Rochelle Park, New Jersey, to help people with developmental disabilities and their families obtain much needed services, as well as enhancing those currently offered. New Concepts was founded 20 years ago by a small group of parents concerned about the future of their sons and daughters with developmental disabilities.

Over \$59,000 was raised at the foundation's eighth annual SkyMark Golf Classic. All proceeds go directly to provide services and support for people with developmental disabilities and their families.
